

BRCS Fees and Fee Waiver Policy

While Bear River Charter School endeavors to provide a free and outstanding education to each of its students, from time to time the School may need to charge fees for its educational activities. In an effort to ensure that all students are able to participate on an equal basis with their peers, students and families requiring fee waivers for participation should contact the Executive Director and [Cynthia's title]. Some examples of situations where the school will work to accommodate a fee waiver request include families eligible for free and reduced lunch, students or parents who receive supplemental security income, students who are in foster care or state custody, and families receiving other state-based assistance.
