

Bear River Charter School

Enrollment Application for 2017/18 School Year

Bear River Charter School is a public school that provides an outstanding educational and social experience for K-8 students. Parents provide transportation for their students. Parents are encouraged to volunteer in the classroom, work on parent organization committees, or participate in other ways. There is no tuition or unusual fees; however, a donation to the school is welcomed. Parents of enrolled students automatically become members of the School Community Association (SCA).

Bear River Charter School follows all state and federal laws required of public schools and does not discriminate based on race, creed, color, national origin or disability/ability status. Because we are a school of choice, we recommend that you learn more about us and the features of our program before enrollment or placement on a waiting list. We suggest you do the following:

- Review the School Charter Document found on our website under 'Resources'.
- Review the Family Handbook found on our website under 'Resources'.
- View the video on Direct Instruction found on our website under 'About Us'.
- Make an appointment for a school tour.

New enrollment will be accepted until classrooms reach capacity. When classrooms reach capacity, applicants will be added to a waiting list. Siblings of enrolled students will be given first preference for enrollment. There may be other preference as provided by law. As spaces become available, enrollment will occur based on the position in the waiting list. For classes where applications exceed openings, a random drawing will be held during which all new enrollment and waiting lists will be reestablished. Families accepted for enrollment complete the appropriate registration paperwork within a certain timeframe and then students will be placed in classes.

We plan our budget in the spring with the information from enrollment. Since we are counting on your commitment for budget planning, please notify us as soon as possible if you have a change in plans. Since other families are waiting to enroll, we are not able to hold places for undecided families.
